Western Suppliers Association Newsletter

June Featured Supplier Spotlight – **B&G Machine Inc.**

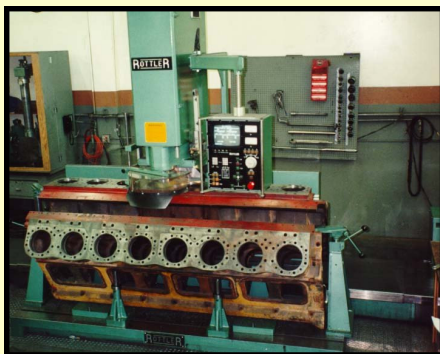

Located in Seattle, B&G Machine has been dedicated to servicing the industrial and machine markets since 1953. It is this commitment and proven performance that has made us what we are today. We stake

our pride in this history and look forward to the changes that tomorrow brings.

Block Remanufacturing

B & G Machine has created one of the finest block departments in the country. Using state-of-the-art equipment ensures that exact tolerances are machined. This means a higher standard of quality with efficient turn around time.
